Current Living Conditions:

Rene and Blanca have been married for 9 years. Rene Jr. has a heart disease and will probably need surgery in the future to repair his heart. Rene Sr. receives a monthly pension check and also works as a mechanic to provide a better life for his family. This family is especially excited to receive a home just in time for the rainy season. Previously, the winters have been difficult due to the amount of water that enters the house. They are presently living in a camper but are looking forward to a brighter future in their new home.
